

Join a visionary and ambitious investment in

THE FUTURE OF JEWISH LIFE

\$95 MILLION GOAL

Construction and Renovation

\$35 million

Transformation of main building for community and co-working use, restructuring of entryway with ADA accessibility, build-out of preschool and outdoor spaces, remodel of event center, creation of green spaces and recreational areas, significant security infrastructure, furniture, fixtures, equipment, and seismic upgrades.

Construction Professional Fees and Services

\$5 million

Contracts for project management, architecture, engineering, permits, legal fees, and other project personnel.

Transition and Start-Up

\$5 million

To ensure a strong beginning and support the start of programs and services, including operational costs during construction.

Campus Purchase

\$30 million

Complete purchase of the 3-acre property by paying off the remaining mortgage.

Campus Endowment

\$20 million

A critical piece of the operating budget to ensure a strong, resilient future and provide affordable rents for organizations.

TIMELINE

Construction is scheduled to begin in early 2025. Renovation and remodeling—including a build-out of the preschool, outdoor spaces, co-working spaces, new and open and accessible lobby, and creation of outdoor and recreational spaces—will take 10-12 months.
